# CREATE YOUR OUTDOOR LIVING ROOM

TIMBER MART is your destination for deck design. Small or large, single or multi-level, we can help you build the perfect deck with expert how-to advice. Supply us some measurements, a sketch, answer a few simple questions, and we'll help you get your deck or fence project started. We can provide you with our deck planning work sheet to help get you started.

## COMPOSITE DECKING

Spend more of your time enjoying summer rather than maintaining your deck! Outdoor wood composite looks great and requires no paint, stain or sealer, resists insects and moisture, and will not split, rot or warp. Environment-friendly, composite is easy to install too with a hidden fastening system that doesn't show screw heads. Selection varies so check with your local TIMBER MART store for available brands.

## DECK DESIGN

## PRESSURE TREATED LUMBER

Pressure treated lumber has preservatives that protect wood from rot, decay and insect damage.

## DECK LIGHTING

Choose from hard-wire options or easy to install solar power. Can be used on deck posts, railings, recessed steps or benches. Adds both charm and safety to your outdoor space.

# FIBREGLASS INSULATION

BRAND SELECTION  
VARIES BY STORE

Improving your home's insulation can reduce energy consumption for heating and cooling by up to 40%, conserving energy resources and saving you money. Insulation acts as a blanket that keeps your home warm in winter and cool in the summer. Fibreglass insulation is an easy, cost-effective way to conserve energy in new and existing construction. Its thermal properties provide excellent acoustical performance and prevent air leakage. **TIMBER MART** stores carry a variety of R-values and sizes to ensure the right product for the job.

## OWENS CORNING ATTICAT FIBREGLASS EXPANDING BLOWN-IN INSULATION SYSTEM

Adding insulation to your attic is a blast with AttiCat expanding blown-in pink fibreglass insulation and the AttiCat insulation blowing machine, engineered specifically for insulating attics. Topping up your attic to the recommended R-60 (or 22.25") saves you energy costs and can be done in as little as 2 hours. An easy, do it yourself project.

## AUTO-FEED SCREW DRIVING SYSTEM

Includes DeWalt motor. Expanded depth for high-density flooring materials. Reversible and replaceable non-skid teeth attachment. Uniform toenailing and countersink on slick surfaces. Sure-grip guide tube increases stability for a broad range of screws. **Strip Screw For Quik Drive Systems:** For wood to wood applications, subflooring, sheathing, wall plates and stair treads. Features twin threads, nibs under the head for easier countersinking.

### INSTALL SAFELY

If you are working with fiberglass insulation, it is important to wear protective clothing and gloves. A dust mask is also recommended.

You can do anything.

# BUILDING MATERIALS

## RIGID INSULATION

Easy to cut and install. High R-value increases energy efficiency while reducing heating/cooling costs. Provides consistent indoor temperatures with less moisture intrusion for more comfortable living spaces. 2' x 8' or 4' x 8' panels.

## ROXUL COMFORTBATT

A semi-rigid stone wool insulation. Fire resistant and non-combustible. Also resists water and will not rot or mildew. Available in high R-values of R10, R14, R15, R22 and R24. Or, bring a whole new level of peace, quiet and safety to your home with Roxul Safe'n'Sound fire & soundproofing insulation.

**\*\*Do Not Pay For 12 months (promo code 14128):** On approved credit. Financing provided by Citifinancial Canada, Inc. and is subject to all the terms and conditions in your cardholder agreement and the credit promotional plan disclosure statement (collectively the "Account Agreement"). Finance Charges will accrue on the purchase from the beginning of the credit promotional period of 12 months, but no minimum payments will be due during the credit promotional period. However, if you pay the purchase price in full by the expiration date of the credit promotional period, all of the accrued Finance Charges will be waived and no Finance Charges will be assessed on the purchase. Otherwise, if you choose to not pay the purchase price in full by the expiration date of the credit promotional period, all of the accrued Finance Charges will be assessed at that time. On termination or expiry of the credit promotional plan (or for purchases that are not part of the credit promotional plan), the standard APR of 29.99% and the terms of the regular credit plan will apply to all outstanding balances owing. Certain terms and conditions apply. See store and Account Agreement for further information.
